TRAVEL EXPENSES

Travel expenses have to be paid by the performers themselves along with accommodation. (Ibiza is a very small Island so travel is only a short distance.) We are not from the Island so our knowledge of the roads and our transport is very restricted as such you will need to make your own way from the airport. Our shows are on the popular Playa D'en Bossa beach. You can use Booking.com to research accommodation but other areas like San Antonio & Jesus are also a reasonable taxi ride or you can even get the local bus service. Everyone in Ibiza speaks English and they are very helpful if you need to ask directions.

ARTIST PASS

All contestants will be entitled to an 'Artist Pass' to attend the additional shows. This is not exchangeable for cash nor transferable to another person. No complimentary tickets are offered to family or friends. They will need to purchase a ticket. If IBF has

approved an assistant for your act they will automatically be entitled to a 'complimentary pass' to the show they are assisting in only.

COMMUNICATION

We prefer phone calls where possible but due to the amount of organising we are doing we will also use electronic communication. Correspondence will be via email or via a dedicated Facebook page. IBF will have a dedicated Facebook group for all successful performers so that necessary information can be communicated. All successful applicants will be invited to this group. We highly recommend that you join this group to avoid delays in delivery of information. This group will be for general information only. For personal questions or concerns regarding invoices, applications etc. please email at info@ibizaburlesquefestival.com

PHOTOGRAPHY/VIDEO – MODEL RELEASE & SOCIAL MEDIA

Please be advised that IBF will be a photographer and videographer. By submitting your application and accepting the 'Terms and Conditions' you understand the any footage taken of you at the festival is property of IBF. We will use this with care and discretion.

YOUR PROMOTIONAL PHOTOS

If you need to credit the photographer please add the name of the photographer to the photo you submit. While IBF will certainly try to credit the photographer whenever we can it is not always possible to do so. If you do not have the permission to use a particular photo please do not submit it. As for the application, please submit photos you have both versions in high resolution and low resolution of the **same photo**.

MUSIC

Please label music files correctly using your stage name. All tracks must be included in a single file. Make sure the format is MP3 (not mp4 or aac) with a quality of at least 128 Mbit/s **but we also would even prefer WAV**, which is a high audio quality. Ask someone technical how to create a WAV file of your music.

VENUES AND TECHNICAL INFORMATION

General information regarding the venues will be available via the website. Technical information regarding the stage, lighting, access to the venue, dressing room etc. will be emailed closer to the time by the Stage Manager or Director.

HEART IBIZA HOSPITALITY

www.heartibiza.com

HEART Ibiza is a creative partnership between Cirque du Soleil and the Adrià brothers that seeks to explore what happens when food, music and art collide. The Ibiza Burlesque Festival is honoured to present the closing event, Bass & Tease Gala. According to Ibiza Spotlight HEART Ibiza is a 'sparkle-fest befitting of the luxe venue on Marina Botafoch' where celebs rub shoulders with clubbers and where performance art is essential to the night as dancing.

This venue is world class and unlike any our team has had the privilege of working with before.

- Meyer sound system
- 200 mobile head lighting system and 30 mobile head lights for the stage area
- Follow spot
- 2 storey video screens
- Video library for enhanced multi-media show experience
- 2 cameras to film and project the show onto the screens

**please note, because of the exceptionally high standard of venue and production, we need to attend a full day rehearsal to work with the creative directors to build elements around our show. Your understanding and co-operation is appreciated because this will be show beyond the wildest imagination and it is worth the extra time and care.*

Artists performing at HEART Ibiza will be transported by shuttle to and from Playa D'en Bossa to the venue. We will also be provided with a basic meal prior to the show and water soft drink back stage, also. Please note, be prepared to rehearse at HEART Ibiza from 4pm on Saturday 26th of May and stay at the venue until the show ends. This is a requirement of the venue and their artistic direction team.

LIGHTING

Requests are taken into consideration but are at the discretion of IBF. IBF will provide a Stage Manager and Stage Assistants during the show. Please try to have your hair and makeup done prior to your show.

REHEARSALS

Our main pool party is an open air pool used by guests. Whilst it is possible to have a site tour of the area, we will be rehearsing in a different location about 10 minute walk from the hotel. Please note that if you are performing at the pool parties, rehearsing at the pool is not possible because guests will be watching and we want it to be a surprise.

Rehearsal sheets will be sent prior to the commencement of the festival but are subject to change at any time due to unforeseeable circumstances. Performers will be notified of any changes to the schedule as soon as practical and must be contactable by phone or email so the Stage Manager can inform you of changes.

Tech runs and/or rehearsals will be probably available at the venue on the morning of the event. Rehearsal times will be strict and subject to change. Late arrival to tech runs may mean you forfeit your spot.

MISCELLANEOUS

All performers and staff must act in a professional and respectful manner to other artists, IBF staff, assistants, technical support, venue staff and patrons. Bullying or harassment will not be tolerated. The dressing room must be left in a clean and orderly manner upon departure. Please try to contain your costumes, makeup, luggage etc. so that each performer has access to their own space.

All performers are responsible for their own costumes and props. While IBF will do everything to safeguard your property we cannot be held responsible for personal items due to loss, damage or theft.

Any damage to the venue will be the responsibility of the person/s who caused said damage.

Under no circumstances are personal friends, family or assistants allowed backstage at any time.

WORKSHOP APPLICATION

Application does not guarantee workshop acceptance. If workshops do not meet minimum attendance numbers they will be cancelled so please note this.

We cannot wait to sparkle with you!
